Mustang Expands Screen Offerings

Mustang's New Portable, Tripod and 1:1 Screens Available Only Through Stampede

BUFFALO, N.Y., June 19, 2007 — Mustang, a complete line of competitively-priced audiovisual accessories and components available exclusively through Stampede, has expanded its offering of projector screens. In addition to its full line of electric, fixed and manual screens in 4:3 and 16:9 aspect ratios, Mustang will now offer portable screens (available in 4:3), tripod screens (available 4:3 and 1:1) and has added manual screens with a 1:1 aspect ratio.

“We are pleased to be able to offer this wider variety of screens at the value pricing dealers have come to expect from Mustang,” said Kevin Kelly, Stampede president and COO. “The 1:1 screens are perfect for the education market, where a lot of dealers are experiencing growth.”

About Stampede

Known for its value-added distribution, Stampede is a leading distributor of presentation equipment including LCD/DLP projectors and flat panel displays. Stampede provides a complete range of brand name presentation equipment to a variety of audio/visual, computer, and home theater resellers and integrators in the United States, Canada and Latin America. These resellers rely on Stampede for value-added services in distribution, marketing and solution-based sales. Stampede has received numerous recognitions, including No. 1 in customer service for North American large screen distributors (2000, Pacific Media Associates), “International Distributor of the Year” (2001, *AV Magazine*), “Best Managed Company” in the Buffalo Niagara region (2005, *Business First*), and “Fast Track 50” (2002, 2003, 2004, 2005, 2006, 2007 *Business First*).
