

NTW GROUP APPOINTS STAMPEDE TO DISTRIBUTE ITS WIDE RANGE OF CONNECTIVITY SOLUTIONS THROUGHOUT NORTH AMERICA

Leading global connectivity solutions provider turns to Stampede to deliver on its promise to “network the world” through Stampede’s 11,000 resellers.

AMHERST, NEW YORK, July 3, 2013 — Stampede Presentation Products Inc., the industry’s oldest and largest high value added ProAV distributor, today announced that it has been appointed by the NTW (Network the World) Group (www.ntwgroup.net), based in Dayton, New Jersey, to serve as a strategic distributor for the company’s rapidly expanding line of specialty telecommunication and audiovisual connectivity solutions throughout the United States, Canada, and Central America.

“NTW is very excited to partner with Stampede, as we further expand our efforts to bring our high-performance connectivity products to every dealer, integrator and end-user throughout the United States and Canada,” said Paul Fenster, NTW Director of New Business Development. “Our mission is to work together with our customers and Strategic Partners to develop versatile and flexible solutions for telecom/ datacom/ AV industries through our innovative products, unique warranty systems and unsurpassed support and service. This strategic partnership with Stampede will significantly strengthen our ability to more completely customize our solution offerings to meet individual dealer requirements.”

NTW offers advanced and unique solutions that deliver versatility, power and performance for every IT and AV network. Stampede will distribute NTW’s wide selection of connectivity products, which includes the XXL Series HDMI Cable, ClarityPro Plenum Copper/Fiber HDMI Cable, Quick Connect TwistLock 2.0 AV Cable, HD-Base T Wall Plate, the UNI-Media Series of wall plates and inserts, and much more.

“The NTW Group has been a pioneer of cutting-edge connection solutions for more than 25 years now and their pace of innovation continues to grow at a dramatic rate,” Stampede Presentation Products, Inc. President & COO Kevin Kelly said today. “The addition of the NTW line of product and solutions to our portfolio promises to bring immediate new benefits to our dealers who are absolutely committed to offering their customers the latest developments in connectivity. We are proud to now represent this amazing company!”

Since 1987, Networking The World (NTW) has been a premier connectivity solutions provider serving the IT/ AV industry for the past two decades. NTW, its engineers and

OEM/ODM group has maintained an unparalleled reputation and an industry leadership position for the design and manufacturing of new and emerging technologies. A few examples include the design and introduction of IDC style keystone audiovisual connectivity solutions, 110-Style HDMI modules/wall plates and the widely accepted locking RJ45 and LC fiber connector/cabling solutions.

NTW is supported by cutting edge manufacturing facilities, strong industry relationships, unrivaled service and support staff. NTW sets new standards through its superior design and manufacturing capabilities in building a smarter, better and more powerful communications and business infrastructural network of tomorrow.

About Stampede

Known for its value-added distribution, Amherst, New York-based Stampede is the leading distributor of presentation equipment including LCD/DLP projectors and flat panel displays. Stampede provides a complete range of brand name presentation equipment to a variety of audio/video, computer, and home theater resellers and integrators in the United States, Canada and Latin America. These resellers rely on Stampede for value-added services in distribution, marketing and solution-based sales. Stampede annually produces the "Big Book of AV," an 816-page catalog and companion website (www.BigBookofAV.com) providing hundreds of sales, installation and spec tips for Stampede's dealers in addition to product details on more than 5,000 SKUs. For more information on Stampede, log onto www.stampede-global.com.
