Stampede Recognized As Fastest Growing Company in Region

Local peers honor Stampede's outstanding growth

BUFFALO, N.Y., June 16, 2006 — Stampede, a leading value-added distributor of presentation and home theater technology, has been named to the *Fast Track 50*. Published annually in *Business First*, this prestigious list ranks the fastest growing companies in the Buffalo Niagara region.

Assessed on growth in sales and employment by regional business leaders, Stampede placed 25th on this year's *Fast Track 50*, up from 49th place in 2005. The 2006 ranking marks the fifth consecutive year that Stampede has placed on the *Fast Track 50*, making it one of eight companies to achieve this status.

“This recognition is a testament to our commitment to growing a successful company in the Buffalo Niagara region,” said Mark Wilkins, president and CEO. “It is because of our dedicated employees and aggressive growth plan that Stampede continues to move forward.”

To be considered for the *Fast Track 50*, companies must be privately held, have headquarters in the Buffalo Niagara region and have been in business for at least three years. Sales and employment data for each finalist were verified independently by Gaines Kriner Elliott LLP of Buffalo, N.Y.
