## **Stampede Showcases More Than 21 New Suppliers at InfoComm '09**

Stampede, the leading value-added distributor of presentation and home theater technology, has added more than 21 new product lines to its offering. Some of the new product lines will be showcased in Stampede's booth (#2451) at InfoComm '09 and in the latest edition of the company's 500-page "Big Book of AV." The new product lines are:

- Panasonic US
- Atlona
- Comprehensive
- AV Rover
- Buhl
- Hamilton
- Roku BrightSign
- D&M Professional
- Dynamat
- Furman
- Gemini
- Cortex
- I-key
- Gefen
- H Wilson
- Lighthouse LED
- Odyssey
- Plus Vision Corp
- Rise Vision
- Williams Sound
- Xantech

Along with adding 21 new lines, Stampede expanded its product offering from the following existing suppliers:

- Atlas Sound
- Barco
- Cables-To-Go
- Intelix
- Exhibio

"Every new line we add enables us to be even more helpful to our dealers," said Kevin Kelly, Stampede president and COO. "We want our dealers to know they can come to us to spec any job they have. Our reps will pull recommendations from more than 5,000 SKUs to make sure the dealer gets the right products for the job. We are a one-stop resource for our dealers"

### **About Stampede**

Known for its value-added distribution, Stampede is a leading distributor of presentation equipment including LCD/DLP projectors and flat panel displays. Stampede provides a complete range of brand name presentation equipment to a variety of audio/visual, computer, and home theater resellers and integrators in the United States, Canada and Latin America. These resellers rely on Stampede for value-added services in distribution, marketing and solution-based sales. Stampede annually produces the "Big Book of AV," a 500-page catalog and companion website ([www.BigBookofAV.com](http://www.BigBookofAV.com)) providing hundreds of sales, installation and spec tips for Stampede's dealers in addition to product details on more than 5,000 SKUs.
